POWER UP SOLAR AND ITS SUBSIDIARIES

Buyer hereby agrees to and acknowledges the following terms and conditions of their account with Power Up Solar or any of Power Up Solar's subsidiaries (hereinafter referred to as "Power Up Solar"):

Full payment of said account within 30 days of date of invoice or as otherwise stated on the invoices. Accounts, or any part thereof, past due are subject to a monthly service charge of 1.5% on past due amount (but not more than the maximum allowed by law). This is an annual percentage rate of 18%. In the event that this account is referred to an attorney for collection, an attorney's fee of thirty-three and one-third percent (33 1/3%) (but not more than the maximum allowed by law) of the balance of the account past due plus service charges accrued at the time of referral shall pass to Buyer at the time of full payment to Power Up Solar, including payment by credit card or otherwise, of the Buyer's account with Power Up Solar.

All parties to this agreement agree and acknowledge that this agreement is ratified in and shall be governed, interpreted and construed in accordance with the substantive and procedural laws of the State of Maryland. All parties to this agreement further agree and acknowledge that any action at law, suit in equity, or other judicial proceeding for the enforcement of any provisions of this agreement or for any dispute arising out of or related to this agreement or any business transaction of any nature by and between the Purchaser and Seller shall be instituted only in the courts of the State of Maryland. The parties hereby agree that the courts of the State of Maryland shall have in personam jurisdiction over the parties, venue of the action shall be appropriate in any county in the State of Maryland, and each party hereby waives the right to change of venue. Buyer hereby acknowledges that their consent to choice of law, in personam jurisdiction and venue in the State of Maryland is a material inducement to Power Up Solar extending credit to the Buyer and that Power Up Solar would not have extended credit to Buyer without such, and that Buyer acknowledges that they have been represented by an attorney, or have had an opportunity to consult with an attorney in connection with such consents and understand the legal effect of this paragraph. Nothing in these terms and conditions shall limit Power Up Solar's right to bring a legal suit, action or proceedings against Buyer in another State Court or other forum or proper jurisdiction.

If any of the provisions contained in this agreement are held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be effected or impaired thereby.

The undersigned have read and agree to the terms and conditions stated within.
